

FOR IMMEDIATE RELEASE

Compass Solar Energy Appoints Amy Vogt as New Marketing Director

March 12, 2013, Pensacola, Fla. – Compass Solar Energy is proud to announce and welcome Amy Vogt as the company's Marketing Director. Vogt will be responsible for strategic market development, branding and market awareness initiatives and contribute in sales strategies and implementation.

Vogt comes to Compass Solar Energy with 15+ years of management, marketing and communications experience in industries as varied as technology, education and entertainment. She most recently owned and managed an English school in Monterrey, Mexico.

"I am thrilled to be part of the Compass Solar Energy team. I look forward to spreading the word about the company and making solar energy a topic that is on everyone's mind."

Dan Gardner, Co-Founder and VP of Business Development, states "We are very excited to welcome Amy to our team at Compass Solar Energy. "Amy brings a wealth of knowledge and fills a key component in our long term growth initiatives."

Based in Pensacola, FL, Compass Solar Energy is a federal, state, commercial and residential solar contractor. Since 2001, Compass Solar Energy has offered complete solar contracting services from design to installation and continues to complete large and small scale solar projects throughout the United States. Compass Solar Energy was a recipient of the 2011 Florida Companies to Watch Award. For more information on Compass Solar Energy, please call 850-439-0035 or visit www.compassolar.com.
